EUROPEAN  
TYPE APPROVAL

- ▶ **OEM-Like finishes and accessories**
- ▶ **Lightweight foldable ramp**
- ▶ **Flat wheelchair space**
- ▶ **Versatile and configurable seating layout**
- ▶ **Top-class safety and ease-of-use**

Focaccia Group sets a new standard of Quality, Reliability and Comfort with its Opel Combo F-Style 2 conversion. More internal space for both able-bodied passengers and wheelchair user ensures a pleasant trip within an ergonomic environment, boasting a unique and refined design.

Sharing your journey has never been so enjoyable! The wheelchair passenger can travel between the rear seats, at the same level of the other passengers. The extended flat surface of the floor improves comfort ensuring an ideal travel position. Elegant L.E.D. lights, metal-painted handrails and OEM-like moulded ABS trims are perfect complements to this new and unique concept by Focaccia Group Automotive.

**Enhanced rear visibility**

**Best wheelchair traveling position**

**Spacious and comfortable travel environment** The rear seats are comfortable and compact enough to maximize the space available for the wheelchair passenger.

**Flexibility and modularity** In addition to standard 4+1 configuration, designed to accommodate 4 able-bodied passengers and 1 wheelchair user, Opel Combo F-Style 2 can also be configured with just one rear seat or without rear seats. 3+1 and 2+1 configurations are available for space demanding users, allowing to accommodate even bulky electric wheelchairs or scooters.

**F-WINCH** Opel Combo F-Style 2 can be equipped with F-Winch. The revolutionary electric winch, designed and manufactured by Focaccia Group in Italy, allows drawing the wheelchair onto the access ramp, in a comfortable and safe way. F-Winch can be controlled by either Wired or Wireless remote, which allows adjusting acceleration and speed.

1 L.E.D. LIGHT KIT - 2 HIGH-TECH FLOOR - 3 LEFT AND RIGH SIDE HANDRAILS - 4 F-WINCH  
5 LEFT SIDE RESTRAINT STORAGE COMPARTMENT - 6 RIGHT SIDE STORAGE COMPARTMENT - 7 RIGHT SIDE STORAGE NET
